2019 EAO CRC SUMMIT

SPONSORSHIP OPPORTUNITIES

The Colon Cancer Foundation © invites you to participate as a sponsor of the 5th Annual Early Age Onset Colorectal Cancer (EAO-CRC), to be held in Midtown Manhattan May 2 – 3, 2019.

For the 5th year the Early Age Onset Colorectal Cancer Summit (EAOCRC) will bring together leading clinicians, scientists as well as early age onset (EAO) colorectal cancer (CRC) survivors and caregivers from across the country. The program will provide extensive opportunities for participants to advance their understanding of the rapidly increasing incidence of rectal and colon cancer among young adults under 50 years of age in the U.S. and abroad.

The course will include lectures, workshops and panel discussions designed to advance the “state-of-the-science” addressing EAO-CRC. Our faculty will once again be world class speakers. With major additional inspiring programmatic contributions from the Early Age Onset Colorectal Cancer Survivor Community of the United States and beyond.

As a sponsor, you will have the special opportunity to provide information about your product and services to and interact with attendees and international faculty.

Please contact Cindy Borassi, Executive Director, for more details on sponsorship opportunities at: Borassi@coloncancerchallenge.org
